

I am writing to ask you to please, please, please not ever consider "grounding" my favorite radio station, K-Love. K-Love gives me the strength to continue living my life to serve the Lord each day. The music is inspiring and the station provides community announcements which are not easily found elsewhere. It would be devastating to the Christian community of the greater Myrtle Beach, SC area if K-Love were taken off of the radio. New people give their life to Christ every day, and that's why it's very important for them to have K-Love to listen to. They need a strong Christian influence to show them that following Christ is not only fun, it's life-changing. I beg you- do not take K-Love off of the radio in Myrtle Beach.
